Consistency in the presentation of the Hangloose Adventure brand is vital.

Our brand and visual identity reflect Hangloose Adventure and what we stand for – our vision, mission and values.

We want the brand to be visually appealing so that people are encouraged to partake in our activities and engage with our brand. This is why we have a fresh, bright look. We want all our materials to maintain its positive impression and be engaging and easy to use.

These guidelines will help you to apply our branding correctly to the material you're producing.

2. LOGO'S

Please DO NOT:

- Change orientation of logo
- Recreate the lettering of logo
- Distort the shape of the logo
- Change the logo colours
- Add any effects to the logo (beveling, embossing, etc.)
- Change the placement of the text
- Re-size elements independently

Clear space is measured using the height of the 'Hangloose' box from the logo.
